

You can now go to the Alliance website to **save time on common tasks!**

Our new website makes it easy to perform common tasks without having to call Member Services for help. Listed below are just a few of the things you can now do online:

- ✓ Request a new primary doctor.
- ✓ Replace your Alliance Member ID card if yours is lost.
- ✓ Update your personal information or other health insurance.
- ✓ Find information by using our search tool.

Our website has other new features too:

Easy viewing of our website on your smartphone!

Always see the contact number to Member Services and links to important resources.

Get tips on how to stay healthy and manage diseases.

Switch the language of our website from English to Spanish or Hmong.

Make the size of the words on the page larger.
