Medi-Cal Certification is required

Beginning January 1, 2018, federal law requires that all Alliance-contracted providers are screened and enrolled in the Department of Health Care Services (DHCS) Medi-Cal Fee-for-Service Program. Providers have the right to be screened and enrolled directly through DHCS, but still need to complete the Alliance credentialing process which is separate from DHCS screening and enrollment. See the next page for additional information.

All provider applications are reviewed by the Alliance Peer Review and Credentialing Committee or a Medical Director. To ensure timely processing of your application, we require that you complete and return all documents listed above as soon as possible. Forms may be submitted in the following ways:

Mail: 1600 Green Hills Road, Scotts Valley, CA 95066 Attn: Credentialing

Email: credentialing@ccah-alliance.org

Fax: 831-430-5528

We appreciate your cooperation in the credentialing process and if you have any questions, please contact us at the email above.

Sincerely,

CCAH – Credentialing Department

DHCS Medi-Cal Provider Screening and Enrollment Requirement

Beginning January 1, 2018, federal law requires that all Alliance-contracted providers are screened and enrolled in the Department of Health Care Services (DHCS) Medi-Cal Fee-for-Service Program. If you are already screened and enrolled through DHCS, you have successfully met this requirement.

Alliance providers have two options for enrolling with the Medi-Cal Fee-for-Service Program. Providers may enroll through (1) DHCS; or (2) through a Managed Care Plan that has a screening and enrollment process substantially equivalent to that of the Department of Health Care Services (DHCS).

- If a provider enrolls through DHCS, the provider is eligible to provide services to Medi-Cal Fee for Service (FFS) beneficiaries and contract with the Alliance.
- If the provider enrolls through a Managed Care Plan, the provider may only provide services to Medi-Cal managed care beneficiaries and may not provide services to Medi-Cal FFS beneficiaries.
- The Alliance is working to implement a screening and enrollment process, which we anticipate will go live no later than 2019. Until such time as the Alliance screening and enrollment process is implemented, providers contracted with the Alliance are required to enroll directly with DHCS.

Enrollment through DHCS

- Providers will use the DHCS standardized application form(s) when applying for participation in the DHCS Medi-Cal Program. The application forms are available on the DHCS website at www.dhcs.ca.gov/provgovpart/Pages/ApplicationPackagesAlphabeticalbyProviderType.aspx. DHCS also has a new online portal for enrollment, available at pave.dhcs.ca.gov/sso/login.do. To create an account, click on the "Sign Up" button at the top right corner of the page.

Upon successful enrollment through DHCS, providers will have satisfied the Alliance screening and enrollment requirement. Please note that absent successful screening and enrollment through DHCS, a contracted provider's status with the Alliance may change after January 1, 2018.

If you have questions about these new requirements, please contact Alliance Provider Services at 800-700-3874 ext. 5504.

For more information contact your Alliance Provider Services Representative at 800-700-3874 ext. 5504

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIERED COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this certification as part of this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances, including but not limited to suspension, debarment, or exclusion from participation in any federally-funded health care program following its previous certification.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to check the List of Parties Excluded from Federal Procurement and No procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system or records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
 - (1) The prospective lower tier participant certifies, by submitting this proposal and signing below, that neither it or its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency, or is excluded as the result of state or federal action from participation in any federally-funded health care program.
 - (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

General Instructions

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
